

Community Service Permission Form

As most of you recall, our school is involved in community service events. We work closely with St. Mary's Catholic Church Kids' Backpack Program. This has always been one of our favorite community service events, and we are thrilled to be a part of this program. However, please know that this particular event does take place during school hours. Students will be out of the classroom for an hour or so. With that being said, any student who wishes to participate, must have direct permission from their parents to leave the classroom. Also, any student who does participate in our community service events will be rewarded. Please complete this form and return to the school as soon as possible.

Please check one of the following and sign below:

_____ My child, _____ (child's name), wishes to participate in community service events that occur during school hours. Hereby, I grant my child permission to leave the classroom and school grounds for these events.

_____ My child, _____ (child's name), does not wish to participate in community service events that occur during school hours. Hereby, I do not grant my child permission to leave the classroom and school grounds for these events.
